

British Airways CPH Terminal

The biggest airport in Scandinavia, Copenhagen Airport (CPH), is a key hub for international travel, including flights run by British Airways. British Airways' main base of operations is Terminal 2 at CPH. The [British Airways CPH Terminal](#) provides a plethora of facilities and services to guarantee a smooth and enjoyable journey for its customers.

Check-In Options

British Airways provides several convenient check-in options at Copenhagen Airport:

- **Traditional Counters:** Staffed by British Airways personnel, these counters assist with luggage check-in, issuing boarding passes, and addressing any travel-related questions. Located in the departure hall of Terminal 2, these counters are ideal

for passengers who prefer face-to-face interaction or require additional assistance.

- Self-Service Kiosks: For a faster and more autonomous check-in process, self-service kiosks are available throughout Terminal 2. Passengers can use these kiosks to check in, select seats, and print boarding passes independently.
- Online Check-In: Available up to 24 hours before departure, online check-in via the British Airways website or mobile app allows passengers to check in from home or on the go. Those who check in online can drop off their luggage at the dedicated bag drop counters upon arrival at the airport, saving time and allowing passengers to proceed directly to security screening.

Security and Customs

Terminal 2 at Copenhagen Airport is equipped with advanced security screening technologies and staffed by well-trained personnel to ensure an efficient security process. Passengers are advised to arrive at least two hours before their flight to allow ample time for check-in, security screening, and any necessary customs procedures.

Fast Track security lanes are available for eligible passengers, such as those traveling in Business Class or holding certain frequent flier statuses.

Lounges

Aspire Lounge:

British Airways passengers traveling in Business Class or holding elite status with the airline have access to the Aspire Lounge in Terminal 2. The lounge offers a range of amenities to enhance the pre-flight experience, including:

- Comfortable Seating: Spacious and plush seating areas for relaxation.
- Complimentary Food and Beverages: A variety of snacks, hot meals, and drinks, including alcoholic beverages.
- Wi-Fi and Workstations: High-speed internet access and dedicated workspaces for staying connected or catching up on work.
- Reading Material: A selection of newspapers and magazines.

- Showers: Facilities for passengers to freshen up before their flight.

Shopping and Dining

Terminal 2 at Copenhagen Airport features a diverse array of shopping and dining options:

- Duty-Free Shops: Passengers can enjoy duty-free shopping at stores offering a wide range of products, including cosmetics, perfumes, electronics, and luxury goods. Popular retailers include Heinemann.
- Retail Outlets: Additional shops sell everything from travel essentials and souvenirs to high-end fashion and accessories.
- Dining Options: The terminal offers numerous dining choices, from quick bites to full-service restaurants. Highlights include Joe & The Juice for fresh juices and light snacks, Le Sommelier Bar & Bistro for French cuisine and wines, and Caviar House & Prunier for premium seafood.

Passenger Services

Terminal 2 is equipped with various services to ensure a comfortable and convenient travel experience:

- Wi-Fi Access: Complimentary Wi-Fi is available throughout the terminal.
- Charging Stations: Numerous charging points for electronic devices.
- Restrooms: Modern and clean facilities, including family restrooms and accessible options.
- Customer Service Desks: Staffed by airport personnel to assist with any queries or issues.
- Baggage Services: Facilities for baggage wrapping, storage, and lost and found.
